WILL APPROVE BONDS SAYS ATTORNEY GENERAL

DIRECTOR SHARPE FOR RED CROSS APPOINTS WORKERS

FIFTH ROLL CALL OF AMERICA'S
GREATEST SERVICE ORGAN-
IZATION BEGINS NOV. 11

Walter F. Sharpe, roll call director for the Fifth Roll Call of the American Red Cross in Milam county, has appointed committee chairmen for the county in preparation for the drive to begin on November 11.

Branch chairmen are being appointed in the following towns of the county: San Gabriel, Ben Arnold, Burlington, Buckholts, Thorndale, Rockdale, Davilla, Milano, Gauze and Cameron.

The officers for the county organization are: W. G. Gillis, chairman; Mrs. J. H. Thomas, vice chairman; Mrs. Pearl Clement secretary, O. M. Smith, treasurer. The committee chairmen for the county are: W. M. Cobb, publicity; Dr. A. S. Epperson, nursing service; Roy Baskin, home service; Walter F. Sharpe, roll call director; Miss Lillian Atkinson, secretary and treasurer of the roll call work.

J. B. White has been appointed local director for Cameron and committees for the work will be announced well in advance of the opening day so that the organization will be prepared to reach the quota in less than allotted time. Cameron is expected to be the first to reach its quota. The quota has not been announced by the Southwestern Division.

Edward B. Orr, of St. Louis, has been appointed Director of the Fifth annual Red Cross Roll for the Southwestern Division, according to information given out by James L. Fieser, manager of the Division. Orr is director of membership activities for the division and as such is in direct touch with all membership work in the various chapters throughout the seven states comprising the division. He came into that office from the position of Director of Disaster Relief of the division and was succeeded in the latter office by Henry M. Baker.

The Roll Call will take place all over the United States beginning on Armistice Day, November 11th, and closing Thanksgiving Day. Its purpose is to enroll in the Red Cross all those who already hold memberships and as many others as may desire to join. There are seven hundred twenty nine chapters in the division located in the large cities and many of the smaller cities and counties of the states of Arkansas, Kansas, Missouri, Oklahoma, Texas, Colorado and New Mexico. Each chapter will conduct its own Roll Call campaign under the advisory supervision of the Roll Call Director.

GEORGE CHILDRESS ACCEPTS POSITION WITH PRODUCE CO.

FORMER ASSISTANT CASHIER
IN BANK JOINS FORCE OF
WHOLESALE HOUSE.

George F. Childress, former assistant cashier of the Citizens National Bank, has accepted a position as assistant manager of the Central Produce Company, one of the largest produce houses in this section of Texas.

Mr. M. N. Peter, manager of the Central Produce Company, is spending a great deal of his time in the country looking after the sales branch of the business.

Mr. Childress is a Cameron boy, having been born and reared here. He graduated from the Cameron school in 1917 and was for a long time with the local postal service. In 1919 he went to the Citizens National Bank as assistant cashier. His friends wish him success in his new business connection.

COCO COLA BOTTLING WORKS HERE SOLD

Alabama Bottler Buys Out Cameron
Drinks Firm—McLemore to
Mississippi.

The Coco Cola Bottling Company of Cameron has been sold to Mr. Martin, an Alabama bottling works operator who is to take charge of the business in a short time.

Mr. John M. McLemore who came to Cameron from Arkansas this year, will leave in a day or two for Columbus, Mississippi, to visit for a while and then will enter business.

The plant here was purchased from Mr. McLemore and the Temple Coca Cola Bottling works.

The friends in Cameron of Mr. McLemore will regret his departure from Cameron and the people welcome Mr. Martin and predict success for his business.

2 NEW PRODUCERS IN MINERVA FIELD ARE BROUGHT IN

NEW PRODUCTION WILL SPEED
UP PROSPECTS FOR A PIPE
LINE IN THE FIELD.

Two new producers were the features of the Minerva shallow pool the past week. Fogel and Marsh No. 1, Moore, came in for a good well at 720 feet, and proved up considerable territory on the outside of the proven district.

Sherrin, Elwell, McCamey and Baggett on the Henry tract in their number one well, got a good producer at 658 feet. Both wells are to be completed and the added production to the new pool is estimated to be at least 40 barrels. The latter well is a direct offset to the Texas Plains Oil Syndicate No. 1, Neihous, the pay was drilled into 23 feet deeper than in the Neihous well and showed that much dirt in a distance of 300 feet between the wells.

Two dry holes are reported in the outside territory on the south and north of the town of Minerva, one of them being the mystery well, the Johnson & Rumberger on the Monly farm, this well, however, does not condemn this part of the field as the well drilled to 1100 feet on the Moody farm by the Milam County Development Syndicate (Kemp & Hefley) had a very good showing of oil at a much deeper depth than the Manly well. It is the consensus of opinion among the operators in the field that this well has not been drilled deep enough and at some future date some one will drill in this temporarily condemned territory. The well of Bell & Haines on the Rice farm is reported dry to date at something over 800 feet. This was the farthest well north and in absolutely wild cat territory. Both wells are shut down waiting orders and so far nothing definite has been given out whether they are to be abandoned or not.

Nearly all the wells are drilling and new rigs are moving into the field daily.

The Lee Oil Company (Lee Westheimer & Dalby) have moved their big National rig on the 100 acre tract of the Robert Issacs farm southeast of the Oklahoma Bell Oil Company No. 1, Robert Issacs. The drillers are rigging up preparing to spud in.

There is one well nearing the pay sands on the Cooper farm, being drilled by Hodge and associates and is something over 600 feet, showing some gas. It is believed that this will make a well as the log has been checking up pretty close with the discovery well about a mile west on an air line.

The Oriental Oil Company of Dallas, Texas, are preparing to drill their acreage in the new field being a part of the Ben McClellan farm in the proven district.

Joe Taylor drilling for the San Gabriel Oil and Gas Company on the Brown tract south of the Bauer well recovered his tools lost in the hole by Mr. Childress is a Cameron boy, a cave in and has casing set. It is reported that the well will be drilled to completion this week.

Several good deals have been closed the past week for acreage and the city is becoming crowded with oil men which have been attracted to the newest shallow pool in the state, the Minerva field, seven miles south of the city of Cameron.

FINE ARTS RECITAL FRIDAY NIGHT

A fine arts recital featuring celebrated artists will be given at the Yoe high school auditorium Friday night. This recital is for the benefit of the piano fund.

Tickets were placed on sale Wednesday by Supt. L. H. Kidd. This entertainment is high class and will mean much to the people of Cameron. Buy your ticket now and arrange to attend this recital. Help the school piano fund.

Hicks Carlile who was buried at Hamiltons Chapel Friday afternoon under auspices of the American Legion, was one of two sons of Mr. and Mrs. W. C. Carlile of Rockdale, who paid the supreme sacrifice in the world war. He and his brother volunteered and were of the first to go over seas and both were killed in the same battle and almost at the same time. The remains of the other brother were not identified.

A large concourse of friends of deceased and family attended the funeral services which were held on the public square around the flag pole in Rockdale. The flag hung at half mast.

Miss Clara Matula of Marek, has accepted a position in Dr. G. B. Taylor's office.

Issue of \$250,000 Will Be Approved Department Tells Mayor Hearrell In Tuesday Conference.

Cameron is permitted under the law to vote bonds in any sum necessary for the construction of a modern system of public utilities.

This announcement is made today by Mayor U. S. Hearrell following a conference in the department of the Attorney General Tuesday at Austin, where interpretation of the law governing the voting of municipal bonds was obtained.

The bonding department of the attorney general's office on being furnished a statement of the bonded indebtedness of Cameron with tax rates, promptly announced to Mayor Hearrell that it would approve an issue of bonds in the sum of \$250,000 necessary for the construction of public utilities.

This is permitted under the new law which fixes the maximum rate at \$1.50 and because the 75 cent tax levied and collected for the maintenance of the schools is exclusive of the amount that may be levied for municipal purposes. The tax levied for municipal maintenance is 65 cents, leaving a total of 85 cents to take care of any bond issue necessary for these improvements.

On a valuation of \$3,250,000 the full levy will not be necessary to complete the improvements now under advisement. The utilities will be installed to afford about 50 per cent reduction from present rates and still take care of bonds and interest without cost to the tax payers. This statement is based on the estimate of competent engineers employed for the purpose and paid by the city.

Now that the matter of the public utilities has been brought to a point where it can be acted upon by the people, a petition should be circulated both as a means of obtaining the sentiment and to prove endorsement of the council for this forward step to expand the city.

The matter will be under discussion at the Tuesday night meeting of the council. It is suggested that citizens go before the council and discuss the matter with the view of obtaining early action on the proposed election to vote the bonds.

STATEMENT TO THE CAMERON PAPERS RELATIVE TO THE WATER AND LIGHT SITUATION (By Mayor U. S. Hearrell)

I went to Austin Tuesday and called upon the Attorney General's department to ascertain if Cameron would have to have a population of more than five thousand (5,000) inhabitants in order to have a bond election for water and lights aggregating about \$250,000.

The statement presented to the Attorney General's department as to the financial condition of this city is as follows:

Water works bonds due in 1935, \$5,000, 6 per cent interest, Sewerage bonds \$8,000, 6 per cent interest, with bond of \$1,000 retiring each year making the total bond indebtedness of Cameron to date, \$12,000.

Outstanding street warrants \$10,000—\$1000 payable annually. All indebtedness held by Cameron citizens except water works bond.

Our tax rate is as follows:
For support and maintenance of public schools, 75c on the \$100 and for the city and for the maintenance of all indebtedness due the city, 65c on the \$100.

Valuation of taxable property in the city limits, approximately \$3,250,000.

With this statement the bonding department of the Attorney General's office advised me that under the new law our tax rate could be \$1.50 on the \$100, independent of the tax rate for maintenance and upkeep of the public schools which would leave the city 85 cents on the \$100 in excess of the 65 cents now levied to pay the debts incurred by the city as well as running expenses; that 70 cents on the \$100 would take care of the bond issue of \$250,000 drawing 6 per cent interest and that, everything being regular, bonds would be approved to that amount by the department; that is, this can be done under the population of the city as shown by the last United States census and, therefore, it will not be necessary to take a census of the city at the present time to ascertain if we go over the limit of five thousand population.

The mayor will ask the city council to order an election for the people of this city to vote upon the question of issuing bonds to put in and erect a complete, modern and efficient water power company with reference to the future growth of the city and for the purpose of obtaining pure, wholesome and sufficient supply of water for all purposes and this will aggregate in the neighborhood of \$125,000.

The mayor will also ask the city council to order an election to vote upon bonds for the owning and erecting a complete modern and up-to-date light plant sufficient for all needs of the city having reference to its future enlargement.

By this means the city will be put into a position to dominate both water and light propositions. This city should not be subject to be dominated by the Cameron Water Power and Light Company or by the Texas Power and Light Company provided the Texas Power and Light Company are given a permit to erect and maintain an electric light system within this city.

There are several angles to each of these propositions that after the bonds are voted can be submitted to our citizens as to what they desire.

The bonds for the water works above mentioned will be sufficient to meet the cost if the source of the supply of water is taken from Little River, putting in settling basins, filtrator and then chlorinated before it is placed in the standpipe for consumption, but if the water is taken from what is called the Lindsey well and adjacent territory, it will prove of sufficient quantity and quality for our consumption, it will lessen the expense of the water system in the neighborhood of \$40,000 which is a mere bragatell compared to the saving to the citizens in the way of cheap rates in the future.

There is an estimated supply of water in that vicinity now that would supply this town for three years and if these wells would be ample and sufficient, both in quantity and quality, it would reduce the rates to the consumer more than one-half the present rates and a certainty that the water works would pay for itself in a few years without any cost to the citizens in the raising of their taxes, but as to the efficiency we must not make a mistake.

As to the light proposition there are three angles. The city wants to be in a position to put in a complete modern and up-to-date light plant or to purchase the light plant already in existence here, if it appears to the best interest of the city, or to invite the Texas Power and Light Company to come to Cameron and operate a lighting system as done in most of the towns and cities in North and Central Texas.

Now, if there bonds are not used they can be cancelled and no harm done. If the city desires to only put in a water plant and use the Lindsey well proposition probably \$80,000 would suffice and the balance of the bonds could all be cancelled without any cost to the tax payers. In other words, it is necessary for Cameron to be in a position to have the money to dominate the entire situation, then she will be able to buy what part she wants of the electric light plant here and such portions of the water works that are here if it should be to the best advantage of the city so to do.

Now, these matters are presented to our citizens for them to consider and to vote upon as to what would be the best interest of the citizens of this town. They will be called upon to vote upon these propositions, when properly worked out and presented to them for consideration.

Now, this is the view taken by the mayor. If there is anything better that could be suggested by any of our citizens and our city council it can all be worked out for the best interest of our city.

The ladies of the Methodist church are requested to remember the 5th Monday social to be given next Monday afternoon at three o'clock at the home of Mrs. Tom Denson.

Judge and Mrs. John Watson were in Rockdale Friday to attend the funeral services of Hicks Carlile, whose remains were shipped from France for interment at his old home.

CLUB IS LUKEWARM ON ARMISTICE DAY CELEBRATION HERE

UNWILLING TO FOSTER ENTER-
TAINMENT—TO CO-OPERATE
WITH CIVIC BODIES.

The Commercial club this year will not foster an Armistice day celebration but has offered its co-operation with other civic bodies without an obligation to expend money. The matter was referred to the membership and entertainment committee.

More publicity for Cameron oil fields was asked by the club following a lengthy discussion of the development in the field.

Among those who addressed the club was W. B. Ferguson, operator in the field.

W. M. Cobb, chairman of the Agricultural committee, reported the stock show being held and owing to a misunderstanding that his committee was without funds to pay the expenses thereof. Upon motion from W. G. Gillis duly seconded the club donated \$50.00 to this fund. On motion of John E. Mangum the finance committee was called on to raise the balance of the needed amount.

The approach of Armistice day was brought to the attention of the club, Messrs. Chambers, Smith, McIntosh and Gillis opposing a celebration on that day, owing to present financial conditions. The matter was discussed briefly and the president asked the membership and entertainment committee to look into it and make a recommendation on next Friday night.

Upon invitation from R. H. McIntosh, Mr. Ferguson, an oil operator in the Minerva field appeared before the club in a very interesting talk on conditions in the field, assuring the club that there is a profitable field here and telling of conditions that had to be overcome. Upon motion from J. B. White, duly seconded, Mr. Ferguson was made an honorary member of the club. The matter of publicity for the local oil field was discussed. Mr. Chambers wanting to see more in the state papers from Cameron. Chairman Avriett of the committee on public information regarding the oil field reported that several young businessmen were having printed 5000 circulars, advertising the oil field and the city of Cameron, to be distributed in Mexico.

MRS. LOTTIE BIGBEE TO REOPEN BOARDING HOUSE TUESDAY

INFORMAL RECEPTION TO HER
FRIENDS IN NEW HOME ON
MONDAY NIGHT OCT. 31.

Mrs. Lottie Bigbee announces that on Tuesday, November 1 she will open her boarding house and on Monday night, October 31, an informal reception will be held and all her friends are invited.

Mrs. Bigbee recently lost by fire her home in Cameron and later purchased the home of Robert McLane, a fine old two story residence which she has remodeled and prepared for use as a modern boarding house.

The house is larger than that formerly operated by Mrs. Bigbee with correspondingly better accommodations. Rooms in the house will be rented, all beautifully furnished and ready for occupancy.

The dining room will be much larger than the one destroyed by fire with a capacity to accommodate more than fifty people. The many friends of Mrs. Bigbee will be glad to read this announcement.

Dean Law to Stop Run On Beer for Medical Purposes in Texas

Austin, Texas, Oct. 25.—Secretary of Treasury Mellon's decision that one case of beer or as much wine as a physician may prescribe for a patient is now allowed in the United States will be estopped in Texas by the Dean Prohibition law, according to a verbal opinion by First Assistant Attorney General Keeling today.

The Dean law holds the amount of whisky, beer or wine to be prescribed by a physician to one pint and a period of ten days must elapse before the patient may secure another. Mr. Keeling said, and Secretary Mellon's ruling will not have any effect on this law. The patient has the choice of a pint of whisky, wine or beer, Mr. Keeling held.

SECOND ANNUAL FAIR DRAWS BIG CROWDS TO CITY

EXHIBITS BEST IN HISTORY OF
FAIR HERE INCLUDING AG-
RICULTURAL SHOW.

It is estimated that more than 5000 people attended the second annual fair held in Cameron Friday and Saturday.

The exhibits featuring a show of agricultural products are declared the best in the history of the fair. Hogs and chickens predominated, as was expected. A good showing of live stock was made Saturday.

Elsewhere in this issue the premium list is printed.

The fair is made an annual event and expansion is planned for next year. The fair this year was under the direction of Wm. Cobb, chairman of the agricultural committee of the Commercial club and editor of the Cameron Enterprise.

PIONEER WOMAN IS BURIED IN CAMERON SUNDAY, OCTOBER 23

MRS. MARY ADELINE WILLIAMS
WAS CHARTER MEMBER OF
PRESBYTERIAN CHURCH.

Mrs. Mary Adeline Williams, aged 81 years, pioneer resident of Milam county and charter member of the Cameron Presbyterian church, died in Cameron Saturday, October 22, 1921 at 11:25 a. m.

Mrs. Williams was born June 23, 1840, in Wabash county, Illinois. She was early converted and united with the Presbyterian church at the age of twelve years. Her life has shown much devotion to the church of which she was a member.

Funeral services were held Sunday, conducted by Rev. H. R. McFadyen of the Presbyterian church. The funeral was directed by the C. N. Green and Brothers Undertaking parlors. Interment was made in Oak Hill cemetery.

Mrs. Williams was married to Isaac Newton Williams, December 30, 1864, and with her husband came to Texas in the fall of 1875. They settled on a farm near Ad Hall where they lived until 1884 when they moved to Cameron, both having lived out their lives here.

Isaac Newton Williams died in 1899. To them was born eight children, only three of whom survive. They are Charley, Will and Jim Williams.

In the loss of this pioneer woman the community feels deeply the loss. She was a sincere Christian and her life blessed those around her. The community owes much to the pioneer Christian men and women who shaped the religious and social life of the early days and set up high standards of living to bless future generations.

The Herald extends its sincere sympathy to the bereaved sons who sit in the shadow of this great sorrow.

NO STRIKE ORDERS RECEIVED IN CITY

NINE CLERKS AND FOUR OPERA-
TORS COME UNDER HEAD OF
ORDERS TO STRIKE.

The threatened national tie up of the railroads through the strike of railway trainmen, clerks and operators, beginning October 30 will not materially affect local rail facilities in the opinion of H. C. Keith, agent for the Santa Fe.

In the railroad service in Cameron there is nine clerks and four telegraph operators. No strike order had been received here up to noon today and the belief among railway men here is that the strike will be settled.

The railroad men are scheduled to strike as a protest against further cuts in wages announced by the road owners. The workers submitted to a cut on July 1, with the understanding that a corresponding decrease would be made the freight rates which have to do with the cost of living. The labor board has announced that a further cut will be made. The union men are determined that a decrease must also be made in the freight rates which has been promised following the July wage cut.

County Engineer A. F. Mitchell has been appointed chairman for Milam county in the sale of bonds for the construction of the Scottish Rite Cathedral in San Antonio. These bonds are being offered to Masons only. Mr. Mitchell is a 32nd degree Mason and holds membership in the Bodies in the Valley of San Antonio.

FROM THE MAIL BOX

Cameron, Texas, Oct. 24, 1921.
 Cameron Herald, Cameron, Texas.
 Dear Sirs:
 We are requested by Dallas Cotton Exchange through The Texas Cotton Seed Crushers association, to ask our local papers to print the enclosed letter, which as you see is calling the attention of the farmer to the very necessary matter of combating the boll weevil.

We will appreciate your doing this.
 Yours truly,
 R. L. BATTE, Mgr.

NEW YORK COTTON EXCHANGE.

New Orleans, La., Sept. 28, 1921.
 A. H. Cleaver, Esq.,
 President, Dallas Cotton Exchange,
 Dallas, Texas.

Dear Sir:
 It has been suggested that a campaign should be inaugurated throughout the South embracing every region affected by the boll weevil urging and insisting that farmers immediately on gathering their cotton burn or turn under the cotton stalks. This should be done without delay as we understand that if the stalks remain in the fields until frost the weevil will have ample food.

It is hardly necessary to impress upon you the importance of some action that will minimize if not totally destroy this frightful menace to Southern cotton culture.

Will you not take this matter up with your members and get them to write and if necessary to wire every bank and merchant with whom they do business and every farmer from whom they receive cotton, insisting that cotton stalks be cut and burnt or turned under?

It goes without saying that if the weevil menace continues to spread as it has done, it is only a matter of time when our supremacy among the world's cotton growers will end.

Something must be done, and that without delay and it is hoped and believed that the course suggested will contribute materially towards relief.

Kindly let me know what action you make take in the premises.
 Yours very truly,
 (Signed) EDWARD S. BUTLER,
 President.

CARD OF THANKS.

We wish to express our sincere thanks to the friends and neighbors who were so thoughtful and kind to us in our recent bereavement, also for the beautiful floral offerings.

HEALING CREAM QUICKEST RELIEF FOR HEAD COLDS

Colds and catarrh yield like magic to soothing, healing, antiseptic cream that penetrates through every air passage and relieves swollen, inflamed membranes of nose and throat. Your clogged nostrils open right up and you can breathe freely. Hawking and snuffling stop. Don't stay stuffed up and miserable.
 Get a small bottle of Ely's Cream Balm from your druggist. Apply a little in the nostrils and get instant relief. Millions endorse this remedy known for more than fifty years.

The Editor of The Cameron Herald, Cameron, Texas.

Your readers will be interested to know that Mr. J. E. Ludwig of your community is now attending the Sweeney Automobile and Tractor School at Kansas City, Mo. He has enrolled for the complete automobile and tractor course and upon graduation will receive the degree of Certified Automotive Mechanic.

The Sweeney school has an international reputation of being the largest trade school of its kind in the world. It was established in 1908 and since that date has successfully taught the automotive industry to 40,000 men. It now occupies an entire 10-story building in which is equipment alone valued at \$350,000.00. Some of the special features in this mammoth trade school for the sole use of its students are a dormitory, cafeteria, restaurant, medical infirmary, clothing and drug stores, barber shop, sanitary showers, baths, swimming pool and recreation rooms.

Mr. Ludwig says he is well pleased with the Sweeney System whereby he is learning mechanical work by practical work and actual experience under the personal supervision of competent instructors.

The school is proud of him for he has entered upon his work with a zeal that means success. His willingness to work shows his ambition to make something of himself. It is the guess of the school that he will return to his home community and eventually get in business for himself.

Yours very truly,
 E. J. SWEENEY, Pres.
 Sweeney Automobile School,
 Kansas City, Mo.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the blood on the mucous surfaces of the system. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

IF BACK HURTS BEGIN ON SALTS

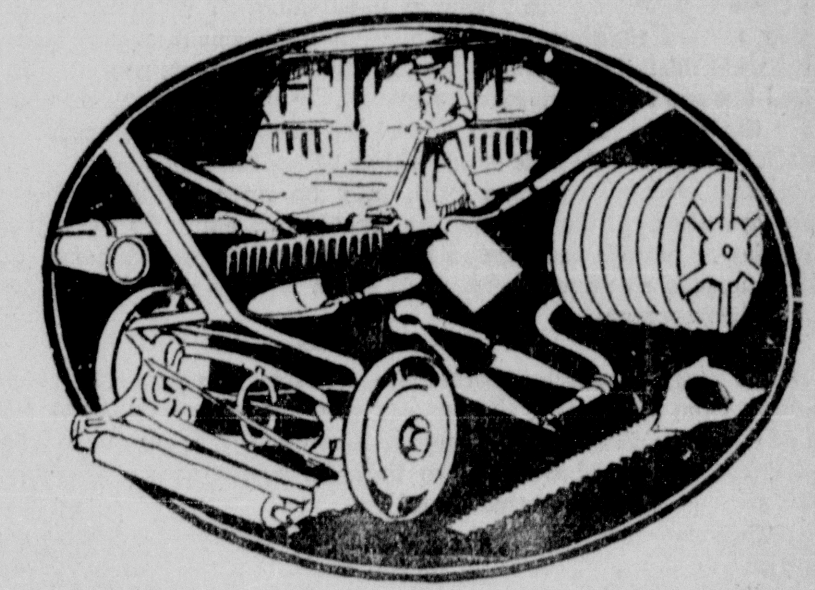

Flush the Kidneys at once when Back-
 achy or Bladder bothers—Meat
 forms uric acid.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which clogs the kidney pores so they sluggishly filter or strain only part of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine.

This famous salts is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.

Anything In Shelf and Heavy Hardware Implements Stoves

A heater is something that you will have to have this winter, if you have not already made your purchase call and see our line of coal and wood heaters, a new shipment has just arrived.

When in need of a heater come in and inspect our stock. We have all kinds, also stove board and piping. Charter Oak Stoves, Heaters and Ranges. We have an expert tinner. Lining stoves and flues and making double flues give prompt attention. A shipment of Casady Sulk plows and repairs just arrived.

VISION EXTRAORDINARY FOR MUNICIPAL EXPANSION.

The Attorney General's department in response to inquiries made in person by Mayor U. S. Hearrell of Cameron has given assurance that bonds to the extent of \$250,000 or any part thereof necessary for the installation of a system of public utilities will be approved.

This announcement from the department has removed what at first was considered a barrier to much needed improvements in Cameron. The charter under which the government is operating was thought to be prohibitive of the voting of bonds sufficient for this improvement, and under the ordinary process of issuing bonds would not allow the expenditure, but a way around the obstacle has been found.

Under the law a maximum rate of \$1.50 has been fixed. The present tax for city maintenance is 65 cents. It has been found by Mayor Hearrell after consultation with the Attorney General that the school tax of 75 cents levied in the city for school maintenance may be excluded so as not to count against municipal bonded indebtedness. By this arrangement a range of taxation amounting to 85 cents can be operated upon to put in effect this new program of municipal improvements.

The contemplation of this needed improvement is a vision extraordinary for municipal expansion and the activity of Mayor Hearrell and the council finds commendation in the public mind. If by this arrangement the city can proceed with the public utilities project the most progressive step in its history can be taken.

A municipally owned water supply and light and power plant can be operated on a basis that will pay for the bonds and take care of interest without increasing the tax cost to the people. The system proposed has been accurately estimated by competent engineers for which the city paid a service fee of \$318.

Cameron for many years has been without an adequate or sufficiently sanitary supply of water. Light and power rates are declared by many to be much higher than the average over the country.

Opportunity is about to be presented to the people to own and operate at handsome profits their own system of utilities. For the sake of future development in Cameron and the public health, this proposed bond issue should be overwhelmingly voted.

The Herald is unqualifiedly committed to the success of this project and equally insistent that the public utilities should be forever removed from private domination and control.

THE AMERICAN RED CROSS.

On November 11, the most significant day in all history for America and the world, the fifth annual roll call of the American Red Cross will begin.

The American Red Cross, greatest service organization in American life with its years of unselfish and unreserved work of mercy and ministrations, is turning now to the source of its life, the heart of America. This worthy appeal of a most worthy cause will find America ready. The hands that bind up the wounds of the world and serve mankind will be strengthened and upheld.

On November 11 when we come to do homage to the soldiers of America who in the strength of their manhood and patriotism saved civilization, we will honor the American Red Cross. This organization is not without its quota of those who gave their lives that America might live.

The peace time program of the Red Cross for which the roll call is to be made comprehends a service to mankind, the extent and character of which will make richer and better the structure of human society. The American Red Cross is a part of American life, an institution sacredly necessary.

In Milam county the roll call is co-operative with the national plans and on November 11 will begin. Director Walter F. Sharpe is completing his organization. Help the workers to help this organization that it may continue to live and bless mankind.

THE SPECTRE OF DEMON RUM.

Regulations permitting the manufacture and use of beer for medical purposes issued by the Treasury Department in Washington will go a long way toward striking down prohibition enforcement organization because of its wide misinterpretation. The regulations appear, not only to be unjustified but are being regarded by many over the country as an entering wedge for the return to American life of the outlawed liquor traffic. The moral affect of the regulations is productive of anything but good.

The spectre of Demon Rum, once the omen of legalized crime through the operation of the open saloon, should not again be permitted either by official or private sanction to hover over the American home. The regulations appear so unnecessary as to cause a feeling of great disappointment in the government.

As a sort of shock absorber for the American public President Harding has told the people that they must not expect too much in the way of practical results from the Washington disarmament conference. In fact, the president goes further and says that the people need not expect anything like an approach to disarmament.

This statement may be interpreted to mean most anything but a cut in the cost of war preparation. Disarmament is a political catch word to run votes in the Republican ballot box and will be a handsome holdover for the next campaign. It is a feeble attempt to carry out by another channel the world leadership given to America by Woodrow Wilson, and in many quarters is regarded as the most pronounced attempt at part expediency in the history of American politics.

"The Ku Klux plan can be more easily laughed out of existence than legislated out," says a statement of Representative Phil Campbell of Kansas, which probably explains the reason for the abrupt ending of the congressional investigation. Wizzard Simmons had claimed more than a million Klansmen in America. He testified before the committee to a membership of only 90,000. More than a hundred thousand had been claimed for Texas. Let us hope that never again will an organization like this spring up to imperil the constitutional liberty of our citizens.

WHY WE ARE PROUD OF YOE HIGH.

There are many reasons why we are proud of "Yoe High." First and foremost among these reasons is the Domestic economy department. In this department we find a most capable teacher. Under her direction a good part of the girls of the school are preparing themselves for future life in a domestic way. Thus they are becoming proficient in dressmaking and culinary arts. In the sewing room we find the best of equipment, tables, sewing machines and mirrors. There are lockers for the use of the pupils, and altogether, we find that this department is modern in every respect. It is very fortunate that our school

has the advantage of a commercial department. Not many towns this size have such a department in their high school. Not only high school students, but many others are taking advantage of this course. The commercial department is in charge of a very capable young man, a graduate in Business Administration of the University of Texas. In connection with the commercial department there is being conducted a night school which numbers among its students many of the prominent young business and professional men and women of Cameron. The night school meets on Tuesday and Thursday evenings, and courses are being offered in bookkeeping, shorthand, typewriting and commercial English. It is hoped that many

others will be enrolled in this school before the year is spent, and other courses will be offered if there is a sufficient demand.

The beautiful building given to Cameron by Mrs. C. H. Yoe is the chief pride of the citizens of this community. It is said that not another high school building in the state of Texas has all hardwood floors. The walls are tinted most artistically, and all the woodwork is polished. The auditorium is certainly one of the most beautiful in our state. The building is steam heated, and slate blackboards are found in every class room. In the splendid modern gymnasium may be found every type of gymnastic equipment, swings, parallel bars, mats, a basketball court, and other apparatus too numerous to mention.

All the teachers of "Yoe High" are required to have a Bachelor of Art degree from a first class college or university. All know their business, and all wear a smile if their pupils bring up the work assigned.

Another good asset of our high school is its library. In this library are books of every kind and description. There are story books, reference books, books for home reading,

books that make one laugh, and books that make one cry. In fact our library is enjoyable and thoroughly worth while throughout. It is equipped with tables and comfortable chairs. One finds it a delight to read there.

With this fine building, splendid equipment, capable faculty, and fine spirited student body, every person in Cameron should be proud of "Yoe High."

CAMERON YOUTHS HAVE A NOVEL WAY TO PAY EXPENSES

Brothers Organize Orchestra and Make their Way at University.

Austin, Texas, Oct. 26.—That musical talent and business ability may be correlated is shown by the fact that five brothers now attending school in Austin are enabled to make their expenses through the organization of their own orchestra. The Howell brothers from Cameron are kept busy two or three nights out of every week playing for dances and other entertainments, and at the same time are studying for various professions. Four of the boys are enrolled in the University of Texas, and the youngest is attending the Austin high school. That the plan is a financial success is shown by the fact that they own the nine instruments in their orchestra and a Ford car, which enables them to fill their many engagements on time.

Each of the brothers is able to play several instruments, but the youngest one, known as "Little Tom," is considered the sensation of the "Moonshiners," as this unique orchestra is called. He is just fifteen years old, and plays well the piano, cornet and saxophone. There is a difference of three years in the ages of the five boys, but they have practiced together and have always exhibited considerable musical talent, it is said. They have probably inherited musical inclinations from their parents, since their mother was a music teacher, and their father used to play the fiddle for old-fashioned square dances.

Although they are able to make a financial success of their musical ability and talent, each one of the brothers is studying for a different profession. Jay Howell, the oldest, is specializing in banking; Hilton is enrolled in the law school of the university; Billis in the college of engineering; Lee is studying in the department of business administration; and Alva, the youngest, is still in high school, but is seriously contemplating medicine as a profession.

HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up, the air passages of your head clear and you can breathe freely. No more hawking, snuffing, blowing, headache, dryness. No struggling for breath at night, your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed up with cold or nasty catarrh. Adv.

WILDCATS DOWN CAMERON ELEVEN IN HARD BATTLE

In the hardest fought game ever witnessed on the Cameron field, Temple High continued her drive for state championship honors by downing the fast Cameron eleven by a score of 45 to 7.

Temple won the toss to start the game and after receiving the kick off returned the ball to midfield, and made a first down on three successive plays. On the next play Temple fumbled and after the referee dug his way through the tangled mass a red and white jersey was found clutching the ball. Cameron then started the march to the three yard line on a series of end runs and line bucks and after two unsuccessful attempts, Bigbee carried the ball over for the first touchdown of the game and incidentally for the first score made by a high school team this season against the Temple eleven. Bigbee kicked goal and Cameron's scoring ended.

The Temple team, who seemed to be in a dazed condition due to Cameron's sudden rush down the field, awoke after being scored upon, and from then on literally rushed the Cameron team off their feet. After receiving the kick and returning it to midfield, Captain Geo. Watters took the ball on a tackle play and ran fifty yards to a touchdown. From then on the game was all Temple, they having scored one more touchdown during the first half and five more in the last two periods.

The Cameron team put up the hardest fight of the season against the Wildcats and the work of Stevens, the midget suarrrer-back and Bigbee, one of the fastest halves in high school circles, shone as the bright lights in their hard fought, losing battle. These men were in the fight until the finish and were the only consistent ground gainers for the Cameron eleven.

The Temple line, after the first few minutes of play was like a stonewall and time and time again broke through and threw the opposing backs for losses and on one occasion broke through and blocked a punt, placing the team in position for a touchdown that followed a few minutes later. The backfield was at its best, Lee starring in his fast circling of the ends, Jones in his broken field running, and line plunging and Goode in his line plunging. The last two named simply tore the Cameron line to threads in the latter part of the game, tearing off line backs, one after another, for 10 to 15 yards gains. The whole Temple team starred in their fierce tackling, causing the Cameron team to make several costly fumbles. Following is a short summary of the game:

Score by periods.
Temple 6 7 13 19—45
Cameron 7 0 0 0—7

Touchdowns: Geo. Watters, Lee, Jones, Bigbee, and Goode 4.
Goals from field, Bigbee 1 and Jones 3. Time of periods, 12 minutes. Referee, Lewis.—Temple Telegram.

Hot Water Each Morning Puts Roses in Your Cheeks

To look one's best and feel one's best, to enjoy an inside bath each morning to flush from the system the previous day's waste, sour fermentations and poisons toxins before it is absorbed into the blood. Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so the food and drink taken each day leave in the alimentary organs a certain amount of indigestible material, which if not eliminated, form toxins and poisons which are then sucked into the blood through the very ducts which are intended to suck in only nourishment to sustain the body.

If you want to see the glow of healthy bloom in your cheeks, to see your skin get clearer and clearer, you are told to drink every morning upon arising, a glass of hot water with a teaspoonful of limestone phosphate in it, which is a harmless means of washing the waste material and toxins from the stomach, liver, kidneys and bowels, thus cleansing, sweetening and purifying the entire alimentary tract, before putting more food into the stomach.

Girls and women with sallow skins, liver spots, pimples or pallid complexion, also those who wake up with a coated tongue, bad taste, nasty breath, others who are bothered with headaches, bilious spells, acid stomach or constipation should begin this phosphated hot water drinking and are assured of very pronounced results in one or two weeks. A quarter pound of limestone phosphate costs very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, purifies and freshens the skin on the outside, so hot water and limestone phosphate act on the inside organs. We must always consider that internal sanitation is vastly more important than outside cleanliness, because the skin pores do not absorb impurities into the blood, while the bowel pores do.

Women who desire to enhance the beauty of their complexion should just try this for a week and notice results.

Nixon-Clay Commercial College

AUSTIN, TEXAS

It is a powerful and scientific combination of sulphur and other healing agents for the relief and cure of diseases of the skin. It is especially effective in the ITCHING VARIETIES; giving instant relief from the itching and smarting sensations and by its germ-destroying properties it exterminates the microbe which is the cause of the eruption, thus curing the disease completely.

Littell's Liquid Sulphur Compound is used in all cases of Eczema, Tetter, Barber's Itch, Psoriasis, Herpes, Rash, Oak and Ivy Poisoning, also for relieving the annoyance caused by chiggers and mosquito bites.

In the treatment of ECZEMA—the most painful and obstinate of all skin diseases—it is one of the most successful remedies known.

Small size 50 cents bottle. Large size \$1.00
JAMES F. BALLARD, Prop. St. Louis, MO.

THORNDALE NEWS

BY FRED M. HERNDON

PARENT-TEACHERS PROGRAM FRIDAY EVENING WAS WELL RECEIVED.

A large and appreciative audience attended the social meeting of the Parent-Teachers association at the school auditorium last Friday evening at 7:15. Miss Emma Saller, president of the association had charge of the program which proved to be the most entertaining and interesting of any meeting yet held.

Following the invocation by Rev. J. J. Burk, Chas. Saller, president of the school board made an interesting talk on co-operation with the association for the further advancement of the schools and pointing out the ambitious program and courses of study added to the local school for the present term, and asking the co-operation of patrons and friends of the school to join with the Parent-Teachers in making the schools the success they should be.

Songs by the ladies sextett, composed of Mesdames Shelby Phillips, Henry Elliott, Sam Clement, J. P. Reaves, G. W. Peebles and A. R. Ramseur, and the men's sextett, composed of Messrs. George Peebles, P. R. White, J. V. Echols, Jack Clement, Bert Elliott and Sam Clement were pleasingly rendered.

The reading of Miss Minnie Young proved a very entertaining feature of the program and was well received by the large audience.

The piece de resistance of the evening's program, the debate, "Resolved, That Married Life is a Failure," showed a profound study at first hand by the debaters in which their arguments both pro and con, ranged from the sublime to the ridiculous, bringing out the various points very forcibly.

Prof. H. M. Roark and Mrs. Arthur Scruggs for the affirmative won the decision of the judges over Hon. O. D. Graham and Mrs. H. M. Roark.

With Prof. Roark taking the affirmative and Mrs. Roark the negative side of this great question the large audience was prepared to have the family "skeleton" dragged forth and torn to shreds. But in this they were disappointed, for if there happened to be a skeleton the gentleman was cleverly concealed during the heated argument.

Miss Daisy Wilson, Sally Beasley and Will C. Phillips were the judges who decided the affirmative and rum-

or already has it that these judges, two of whom are still single and the third, who's wife compels him to arise early and kindle the fires, were prejudiced beforehand against the marriage institution, and that the great question should be decided before unbiased judges.

All together it was decidedly the best program rendered in the school auditorium for some time and provided much amusement and entertainment for those who were fortunate enough to have attended.

Earl Scruggs suffered a broken arm last Friday in attempting to crank a "flivver."

A small blaze in a cleaner at the Allcorn gin last Friday afternoon caused more excitement than damage. The blaze was quickly extinguished by employees with fire extinguishers and the water hose with slight actual damage.

Sam Fore, Jr., editor of the Floresville Chronicle-Journal would make a good press agent. After reading the editorial column of Sam's paper last week, dog-goned if we wasn't attacked with the "railroad blues" and a big hankering to attend the Wilson County Fair. And Sam is big enough (that word goes either way) to stage a good fair by himself.

Then there's R. W. Barry of the Beeville Bee just spreading himself about the big Bee County Fair, too. Next door neighbor to Sam Fore, Jr., medium of stature but plenty big to make his fair a success.

Miss Caroline Emin of New York has just died, leaving \$60,000 to provide catnip, milk and backyard fences for the cat population of the world. Her two sisters who had lived with her during her lifetime received nothing from her large estate.

Shades of Oante, Hellsbells, etc., etc. And to think how much good milk this amount would buy for the thousands of motherless and starving babies of this country. Don't it beat all, the funny twists an old maid's mind can get into.

A lawyer is the only person who ever gains anything by arguing.

Members of the Texas Cotton Seed Crushers association in session at Dallas last week are reported to have started a campaign throughout the state urging farmers to plant more cotton and get back to a normal acreage in Texas.

Wonder if they think the farmers of Texas will fall for any such bunk as this. With cotton down around 17 cents now with the smallest crop on record, what would the prices be if Texas, this year had a normal crop of from three million to four million males.

If a large crop is raised a great proportion of it will have to be raised with hired labor and where the demand for labor is strong, higher prices are necessarily paid. With picking charges of \$1 to \$2 per hundred and seed selling at \$12 to \$20 per ton, cotton at 5 to 8 cents where would the farmer get his meat and bread.

Representative W. F. Keilis of the Sterling City News-Record says: "All this sob stuff about the 'toilers' and the 'po' laborin' man' is a kettle of political slop. The only happy people are those who toil. It was God's decree to Adam that man should 'eat bread by the sweat of his face,' and He fixed it so that the punishment of unhappiness and discontent should follow those who violated this decree. He made bitter the bread of the idle to remind them of His law. If you have pity to bestow on miserable humanity, bestow it upon those who do not work, for the toiler needs no pity. Toil of the brain or brawn is the only medium of happiness. It sweetens our bread, smooths our conscience, deepens our slumber and lengthens our lives. Toil is the devil's worst enemy and man's best friend.—Every man should work and do it cheerfully and willingly. It makes him a real citizen.

The little red school house has been working in Texas in the last ten years, and as a result illiteracy in the Lone Star states amounts to 8.3 per cent now, as compared with 9.9 in 1910.

In 1910 there were 282,904 illiterates in Texas out of a population of 2,848,904. Now, with the population 3,556,644 the number of illiterates is 295,844. An illiterate, the census bureau explains, is a person over 10 years old who has had no schooling.

CARD OF THANKS.

We take this means of expressing our gratitude to those assisting us during the illness and death of our beloved wife and mother. Especially do we wish to thank Drs. Young of Buckholts and Terry of Thorndale, also Mr. and Mrs. Shelby Phillips, and Mr. and Mrs. E. P. Surrant for the service they rendered so willingly.

WALKER McDANIEL AND FAMILY.

NOTICE IN PROBATE THE STATE OF TEXAS,

To the Sheriff or any Constable of Milam County—Greeting: You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the County of Milam, State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days exclusive of the first day of publication before the return day hereof:

Notice

THE STATE OF TEXAS, To all persons interested in the estate of F. L. Smiley, a minor, notice is hereby given that W. J. Smiley has filed in the county court of Milam county, an application for letters of guardianship of the estate of F. L. Smiley, which application will be heard at the next regular term of the county court of Milam county, Texas, to be held on the first Monday in December, same being the 5th day of December, A. D. 1921, at the court house thereof, in the city of Cameron, Texas, at which time all persons interested in said estate may appear and contest said application, if they see proper.

Herein fail not, under penalty of the law, and of this writ make due return.

Given under my hand and seal of office, in the city of Cameron, Texas, the 13th day of October, A. D. 1921. (Seal) Attest: WILL T. YATES, Clerk County Court, Milam County. By MRS. K. K. ROBBINS, Deputy.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and secure a general strengthening tonic to the whole system. Nature will then throw off the worms, and the child will be in perfect health. Pleasant to take. 75c per bottle.

DELICIOUS AND REFRESHING
EVERY little movement means more thirst.

As Interesting As Your Every-Day Mail

The advertisements in this paper were written to you. It is impossible for most merchants and manufacturers to send you a personal letter about their goods, their wares and their services. So they pay us for the privilege of calling these things to your attention in our advertising columns.

If they did not know that a certain proportion of our readers would be vitally interested in their message, they could not afford to advertise. It would be a losing proposition.

Read the advertisements as you would a personal letter. Many of them are just as important—and just as interesting. They will help you to economize and to keep posted on store news of real interest to you and your pocketbook.

Don't lay aside this newspaper without read the advertisements.

They are personal messages for you.

THE MAN WHO SAVES YOU MONEY.

Yoe - Hi News

By LEE R. TAG

TEMPLE DEFEATS CAMERON.

Last Friday afternoon the Temple Wildcats came to Cameron and ran away with the game with a score of 45 to 7.

The home boys were encouraged beyond comparison when they made the first touchdown of the game. It took four down to make the lone counter for Cameron, but the Cameron boys had the pluck and courage and with the weight of Bigbee and head work of McGregor the touchdown was made and a goal was easily kicked. Temple then went out on the field for revenge. They got it. A touchdown was made almost at will.

The Cameron aggregation was overcome by the fast and bewildering plays the visitors made. When the two teams went in for line plunging it seemed as if two brick walls came together for neither side was able to gain in this method of play. The Temple men knew that McWilliams was a terror so they had him put out on a charge of roughing. Eudale said that he was tasting blood and if had been permitted to play the score probably would have been quite different.

CARNIVAL A GREAT SUCCESS.

Last Saturday night the carnival that the Girls' club had across from the post office was a great success. All expectations were exceeded and the good time that was had made Miss Bass the director-general of the occasion the happiest person of the school. The crowning of the queen was the climax of the occasion. The queen was attired in silver with a long train. She was attended by Patricia McGregor and Abbie Reece Harvey.

The princesses and duchesses were Kathryn Agee, Pauline Green, Bess Wiley, Anna Bell Clinton, Sallie Coleman and Eloise Rogers. The band played while they marched up to the platform.

The minstrel was a success and the comedians had a fine time with their jokes. This department took in the most money and they had two shows for the people that were unable to see the first one.

The picture machine on the carnival grounds was also well patronized and a good comedy was enjoyed.

The fish pond under the management of Miss Mildred Moore was a success in every way while the balloon stand run by Miss Jennie Tyson took in quite a bit of money.

The crazy house was another favorite feature. The grounds were full to overflowing and there would have been more if there had been seats to accommodate the people.

The total receipts at 10 o'clock Monday morning were \$516.03. The expenses were in the neighborhood of a hundred dollars making a clear profit of \$400 for the club.

The school appreciates the help that was rendered by the people of the town.

Rub-My-Tism is a great pain killer. Relieves pain and soreness, rheumatism, neuralgia, sprains. adv 1m

Habitual Constipation Cured in 14 to 21 Days

"LAX-FOS WITH PEPSIN" is a specially-prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It Stimulates and Regulates. Very Pleasant to Take. 60c per bottle.

The Quinine That Does Not Affect The Head Because of its tonic and laxative effect, LAXATIVE BROMO QUININE (Tablets) can be taken by anyone without causing nervousness or ringing in the head. E.W. GROVE'S signature on box. 30c.

A TONIC

Grove's Tasteless chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

Grove's Tasteless chill Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Enrich it. Destroys Malarial germs and Grip germs by its Strengthening, Invigorating Effect. 75c.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

Hall's Family Pills for constipation.

MARY ANN McDANIEL

On Tuesday afternoon about 1 o'clock, Oct. 18, 1921, death entered the home of Walker McDaniel and claimed as its victim the beloved wife and mother. She had been confined to her room for the past six months with dropsy. She retained her usual good spirit until the last, and died very suddenly, none being present except the family.

Mary Ann Palmer was born in Mississippi Nov. 21, 1850, she was converted and joined the Methodist church when 14 years of age and has since lived a devout christian life.

Deceased was married to Tom Hamby, in 1871, to this union one child was born. She was left a widow in 1874, and with her mother and child came to Texas in 1876. Was married again in 1879 to John McCullen. To them a child was born. In 1883 she was married to Walker McDaniel, and to this union six children were born.

Mrs. McDaniel with her family moved to Milam county in 1905 and has since lived in the Conoley and

Salty communities and was beloved by all who knew her.

Funeral services were conducted by Rev. P. R. White, pastor of the Thorn-dale Methodist church with interment in the Salty cemetery Wednesday afternoon.

Those who survive her are: As-bury, Roy and Miss Julia McDaniel of the Conoley community, Mrs. W. B. Lewis of Cameron, Mrs. W. J. Owen of Bartlett, Mrs. Rayton Cothren of San Gabriel and Mrs. Andrew Duett of Georgetown, two brothers, D. L. Palmers of Normangee, and John H. Palmers of White Deer, a number of grand children and great grand children. The bereaved relatives have the sympathy of the entire community.

A precious one from us has gone
A voice we loved is stilled;
A place is vacant in our home,
Which never can be filled,
God in His wisdom has recalled,
The boon his love had given,
And though the body slumbers here,
The soul is safe in heaven.

A FRIEND.

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS chill TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and set as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take 60c per bottle.

SORES ON CHILDREN

No mother wants her children covered with sores or the itch. It is embarrassing to the parents and children as other parents do not care for their children to associate with yours. BLUE STAR REMEDY dries up the sores like magic and if used properly will prevent children from having skin diseases. Also will not stain or ruin their clothes.

FORDSON

\$625 f. o. b. Detroit

Steady, light, alert, power to spare, economical of operation. Watch a Fordson Tractor in action and you will wonder how those apparently contradictory qualities of strength, lightness, power and speed could ever be combined in one unit.

The Fordson's speed is available for hauling heavy loads for long distances. Its power is available for dragging plows or disc-harrows through the heaviest soil or for running the cut-ting-box, grinder or threshing machine.

We take pride in handling such a compact, portable power plant. We are equipped with every facility for giving quick ser-vice for the Fordson.

Men's and Boys' High Grade Clothing

There has never been a time in
the history of this store that we
could show such an immense
stock of Men's and Boys' Cloth-
ing, well tailored in up-to-date
and up-to-the-minute models.
We bought the best that could
be found for the fall season, 1921
We can give only a few of the
prices, but they will convince
you that we have the clothing
for men and boys at a bargain.

WE MUST SELL

— This Stock at a Sacrifice

Our store is now groaning under the largest and best selected tock of merchandise in the history of our business. Brand new Fall and Winter goods stacked as high as your head all over the store. If you doubt this just a glance inside the store will convince you that it is correct. Be sure and come, take a look at all that's new in all the new things that are going to be worn this fall. "BUY IT HERE." The Criterion of fashion—the last word from the originators of style. Carving new records in value giving. Getting back to good, substantial, standard, staple merchandise at old time prices.

It's our purpose to serve you with the best standard staple merchandise that money can buy during this sale, and we call your attention especially to some prices named in this ad. Read every line carefully, note the prices and compare same to any kind of competition and if you do not find our prices under any and all competition, then we wouldn't expect you to buy. All we ask is that you come, take a look, get our prices, compare with any legitimate competition, you will find then that we are correct in price and quality of goods. When you come to this sale we do not have to stutter and tell you we have it coming, or we have it ordered, and it will be here tomorrow. We already have it in the store, checked out, tagged and marked for this cut price sale.

A Bargain Feast

STOCK SHOW PRIZES AWARDED; FAIR BRINGS HUNDREDS TO CITY

SWINE AND POULTRY EXHIBITS LEAD IN NUMBERS AT AN- NUAL SHOW.

Owing to the fact that the Live Stock show had no building or stalls for cattle and horses, these were exhibited only on Saturday.

There were some excellent specimens of Red Poll (Jersey and Holstein cattle, also a fine Poll Hereford male. Also some fine Jacks and one of the most beautiful saddle horses in Texas.

The following awards were made Saturday to exhibitors in the Live Stock, Poultry and Agricultural Show in Cameron:

Pol-Hereford male over 2 years, won by Lesser Newton, Milano.

First on Red Poll, aged bull and aged cow, won by C. V. Huffman.

First on Jersey male, aged, R. B. Ray, second Don Slocumb.

First on Jersey cow, aged, won by entry of Don Slocumb, second J. D. Cone, 3rd, Lela Moore.

Jersey Heifer, won by Lela Moore; grand champion ribbon was awarded to Mr. Moore on this entry.

All the Holstein prizes were awarded to Mrs. E. S. Walden, who exhibited four splendid specimens of this popular breed. They were all fine animals, but one was not of an age to compete for any of the prizes.

Short horn Durham, male, a fine specimen, exhibited by J. B. Nesbitt, was awarded first premium.

Reasonover & Smith entered two fine Jacks, which were awarded first and second premiums. They also showed a beautiful saddle horse, who was given first prize.

SWINE DEPARTMENT.

The hog display showed some excellent specimens of both Poland Chinas and Durocs.

The Grand Championships in the Poland China class were won by Gaither & Baldridge's great sire, "Big Bone G," and a sow of his get, which was exhibited by Baldridge & Baldridge.

"Big Bone G" is the famous sire of the Bartlett National Pig Club, and in 1918 he won first at Dallas, San Antonio and Waco, and his owner refused an offer of \$7,000 for him. He is the sire of more 600 and 700 pound sows than probably any other hog in Central Texas. Last year he was beaten by Buster King at the Bartlett Hog show and some months later was sold to W. E. Gaither of Rockdale. He is not quite as high off the ground, nor has not as much arch in his back as the new type shows, but he is a wonderful sire.

The male which took second in the aged boar class belongs to Mrs. Mattie Springer, and he is a fine specimen.

men. The Judge took considerable time in deciding between him and Big G.

Quite a number of other fine specimens of the breed were shown, including fine sows owned by T. N. Lindsey, Round Crawford and R. Sharpe and a boar by R. Lampkin, also some young stuff owned by H. F. Smith, J. C. V. Huffman, Mrs. Springer and others.

Awards.

Piles Cured in 5 to 14 Days

Druggists refund money if PAZO OINTMENT fails to cure Itching, Blind, Bleeding or Protruding Piles instantly relieves Itching Piles, and you can get restful sleep after the first application. Price 60c

No Worms in a Healthy Child

All children troubled with Worms have an unhealthy color, which indicates poor blood, and as a rule, there is more or less stomach disturbance. GROVE'S TASTELESS CHILL TONIC given regularly for two or three weeks will enrich the blood, improve the digestion, and act as a General Strengthening Tonic to the whole system. Nature will then throw off or dispel the worms, and the Child will be in perfect health. Pleasant to take. 60c per bottle.

The NEW EDISON

is positively the only phonograph that can sustain the acid test of direct comparison with the living artist. It has given this amazing performance of direct comparison over 5,000 times before over four million people.

This Picture Means Something To You!

THIS picture is sketched from an actual photograph made of Bamboschek, principal conductor of the Metropolitan Opera, listening to the great Muzio sing in comparison with the New Edison's RE-CREATION of her voice. After the comparison, Bamboschek in amazement said:

"I have heard a comparison between Miss Claudia Muzio's voice and its RE-CREATION by the New Edison. I consider that the quality of Miss Muzio's living voice and the quality of her RE-CREATED voice are identical."

Is Bamboschek's Judgment Good Enough For You?

BAMBOSCHEK knows every note of Muzio's voice as you know the voice of the one nearest and dearest to you—and he pronounced Muzio's voice and its RE-CREATION on the New Edison IDENTICAL. Can you ask for any more—or could there be any more, positive proof that the New Edison gives you the performance of great artists with perfect, life-like realism? And it is significant, that only the New Edison dares to make direct comparison with the living artist or artists.

Three Days of Mood Music Free!

Mood Music will help you control your mental and physical well-being. Soothes you when nervous. Refreshes you when tired. Cheers you when sad. It's Mr. Edison's latest music discovery.

NOTICE IN PROBATE.

THE STATE OF TEXAS.

To the Sheriff or any Constable of Milam County—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the county of Milam, State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days exclusive of the first day of publication before the return day hereof:

NOTICE.

The State of Texas,

To all persons interested in the estate of Raymond Posey, deceased, notice is hereby given that Ben Nabours has filed in the county court of Milam county, an application for appointment as administrator for the estate of Raymond Posey, deceased, which application will be heard at the next regular term of the county court of Milam county, which will be held on the first Monday in December, 1921, same being the 5th day of December A. D. 1921 to be held at the court house thereof, in the city of Cameron, Texas, at which time all persons interested in said estate may appear and contest said application, if they see proper.

Here fail not, under penalty of the law, and of this writ make due return.

Given under my hand and seal of office, in the city of Cameron, Texas, the 27th day of September A. D. 1921.

Attest: WILL T. YATES,
(Seal) Clerk County Court, Milam county.

By MRS. K. K. ROBBINS, Deputy.

You Do More Work,

You are more ambitious and you get more enjoyment out of everything when your blood is in good condition. Impurities in the blood have a very depressing effect on the system, causing weakness, laziness, nervousness and sickness.

GROVE'S TASTELESS CHILL TONIC restores Energy and Vitality by Purifying and Enriching the Blood. When you feel strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

GROVE'S TASTELESS CHILL TONIC is not a patent medicine, it is simply IRON and QUININE suspended in Syrup. So pleasant even children like it. The blood needs Quinine to Purify it and IRON to Enrich it. These reliable tonic properties never fail to drive out impurities in the blood.

The Strength-Creating Power of GROVE'S TASTELESS CHILL TONIC has made it the favorite tonic in thousands of homes. More than thirty-five years ago, folks would ride a long distance to get GROVE'S TASTELESS CHILL TONIC when a member of their family had Malaria or needed a body-building, strength-giving tonic. The formula is just the same today, and you can get it from any drug store. 60c per bottle.

BUCKHOLTS WAR VICTIM BURIED LAST SUNDAY

Corporal Mohon H. Doggett, Co. B, 141st infantry, 3th division, killed in action on Oct. 8, 1918, near St. Etienne, was buried at Buckholts Sunday afternoon at 2:30 o'clock. The body arrived at Buckholts last Friday afternoon at 2:30 o'clock. The local American Legion post had charge of the services. Rev. P. T. Stanford, chaplain of the Temple Post 133, conducted the funeral service.

Corporal Doggett was born in Jacksville, Texas, and moved to Lufkin later, residing in Houston on June 27, 1917, at the age of 18 years. Going to Fort Sam Houston with the national guard he was stationed later at Hidalgo. He was transferred to the regular army on Aug. 5, 1917, and sent to Camp Bowie. He went across in July of 1918 and lost his life on Oct. 8 near St. Etienne in an advance against a very strongly fortified position the enemy was holding and protecting with an intensive machine gun fire.

Doggett was awarded the French Croix de Guerre with palm.

He is the son of Mr. and Mrs. Walter Doggett of Buckholts.—Temple Telegram.

DR. DUNN RESUMES PERMANENT LOCATION IN HEARNE

Our readers who know personally Dr. F. R. Dunn, and the great number of Robertson county citizens who have availed themselves of his excellent qualifications and facilities as an optometrist and optician, will be delighted to learn that in a few days he will resume his permanent location in Robertson county, with offices in the building next to Hudson Company.

Dr. Dunn was reared in this county and after spending years in the east qualifying himself for his life work of correcting errors of refraction and of vision decided to locate in his old home county, choosing Hearne because of its central location.

For some months he has been dividing his time between this county and Milam, with offices at Cameron, but the calls for his services in this county were so insistent as to induce him to resume his permanent location here.—Hearne Democrat.

BELIEVES TANLAC KEPT HIM ON JOB

Tulsa Citizen Declare His Wife Was Also Greatly Benefited by Taking It.

"It was certainly money well spent when I bought Tanlac, for I doubt if I would be able to be on the job today if it hadn't been for this medicine," said J. E. Chandler, of 32 Olympia St., Tulsa, Okla.

"For a long time before I got Tanlac I was troubled with what I believe was rheumatism. I had awful pains and soreness in my shoulders, and many times my arms were so stiff and ached so bad I could hardly raise my hands to my head. I don't believe I could have been in more misery had some one been sticking me with a knife, and it was just all I could do to stay on the job. I couldn't find anything to help me, and I was certainly in bad shape.

"I have taken six bottles of Tanlac and it has relieved me of rheumatism so completely that I never have an ache or pain and I have regained my full strength and energy.

"My wife was not well and had no appetite to speak of. She took Tanlac at the same time I did, and it has given her such a splendid appetite that she said to me the other day it looked like she would eat us out of house and home. I believe Tanlac is all that kept me on the job, and there I feel it is my duty to tell everybody I can about it."

are so many others in ill health that "Tanlac is sold in Cameron by New Cameron Drug Co., in Rockdale by Baldrige Bros., in Milano by E. C. Smith and in Burlington by the New Drug Store.

To Cure a Cold in One Day

COUNTY RED CROSS ROLL CALL BEGINS ON NOVEMBER 11

WALTER F. SHARPE, ROLL CALL CHAIRMAN, PREPARING ORGANIZATION FOR DRIVE.

The Red Cross roll call drive for 1921 will begin on November 11 in Milam county.

Chairman Walter F. Sharpe of the roll call, is now perfecting the organization and expects to be able to announce the chairmen by next week.

The quota for the county has not been set. The 1920 quota was 3000 members.

Plans for the Fifth Annual Red Cross Roll call in Texas will be formulated at a regional conference of Captains in this state to be held at Fort Worth October 21st. James L. Fieser, of St. Louis, manager of the Southwestern division, American Red Cross, will attend the conference and speak on Roll Call plans. Among the other speakers will be Judge Joseph Dickey, of Henryetta, W. S. Lemly, of Temple, Mrs. W. R. Nutting of Gainesville, and W. W. Naman of Waco. K. N. Van Zandt, chairman of the Tarrant county chapter, will preside.

An elaborate program has been arranged, and preceding the discussion

of Roll plans a resume of work done in Texas by the Red Cross will be presented by Chapters throughout the state and the plans for the coming year's work will be discussed. The conference is expected to be in the nature of a clinic on Red Cross work dealing largely with the unemployment problem, work among ex-service men, public health work, and community work. Delegates from all the chapters in the district will attend.

Habitual Constipation Cured in 14 to 21 Days

"LAX-FOS WITH PEPSIN" is a specially-prepared Syrup Tonic-Laxative for Habitual Constipation. It relieves promptly but should be taken regularly for 14 to 21 days to induce regular action. It Stimulates and Regulates. Very Pleasant to Take • 60c per bottle.

MISSING LETTERS ARE EXPLAINED.

Washington—An explanation of why in many cases "that letter never came" is believed by Postmaster General Hays to have been found in the revelation that an average of 70 pieces of mail is found daily in empty sacks and pouches sent to the mail bag repair shop in Washington.

About 8,000 sacks are received daily at the repair shop, and of these something like one out of every 100, according to figures furnished by Mr. Hays, is found to contain a piece of mail, ranging from registered or special delivery letters to fourth class parcels.

TASTY BAKED GOODS

What forms a more necessary part of any meal than a slice or two of crispy crusted fresh bread or a generous piece of fluffy, well baked pie? They appeal to the taste of most any person.

All our Bakery Goods are of the highest type. The fact that we make a specialty of producing the finest Breads and Pies brings customers from far and wide. You will be one of them once you have given us a trial.

The

For Torpids Liver

"Black-Draught is, in my opinion, the best liver medicine on the market," states Mrs. R. H. Whiteside, of Keota, Okla. She continues: "I had a pain in my chest after eating—tight, uncomfortable feeling—and this was very disagreeable and brought on headache. I was constipated and knew it was indigestion and inactive liver. I began the use of Black-Draught, night and morning, and it sure is splendid and certainly gives relief."

Thedford's BLACK- DRAUGHT

For over seventy years this purely vegetable preparation has been found beneficial by thousands of persons suffering from effects of a torpid, or slow-acting liver. Indigestion, biliousness, colic, coated tongue, dizziness, constipation, bitter taste, sleeplessness, lack of energy, pain in back, puffiness under the eyes—any or all of these symptoms often indicate that there is something the matter with your liver. You can't be too careful about the medicine you take. Be sure that the name, "Thedford's Black-Draught," is on the package. At all druggists.

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of *Chas. H. Fletcher* and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment. Never attempt to relieve your baby with a remedy that you would use for yourself.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

FORTY-TWO CLUB.

Last Thursday afternoon the "42" club met with Mrs. W. A. Gillon. It was an ideal autumn day and the decorations were in keeping with the season with a suggestion of the approach of Hallowe'en. Maragold and yellow wild flowers were in bowls and vases while the mantle was banked with asparagus and clusters of citruses hanging gracefully down.

Seven tables were arranged and half of the score cards were autumn fruits, the other half Hallowe'en faces with black cats. Ten games were played with Miss Clara Thomas as winner.

Table favors were Hallowe'en heads in yellow and black with candles burning inside. These fell to Mesdames H. F. Smith, Jr., R. L. Batte, Sr. W. T. Hefley, Vernon McIntyre, A. N. Green and Miss Mary and Clara McLane. Mesdames Frank Lesovsky, W. T. Hefley, John Watson and J. C. Tucker assisted Mrs. Gillon in decorating and serving. Home made blue ice cream and white cake with yellow icing was served.

Those present other than club members were Mesdames Jno. Martin, Jeff Kemp, Leland Green, A. N. Green, Hilary Steadman, Walter Sharp, R. L. Batte, Sr., Simme Burns, C. W. Reed, H. H. Smith of Brenham, Vernon McIntyre of Marathon, Jim Baskin, W. T. Hefley, Frank Lesovsky, Frank Henderson, Misses Lightfoot of Tennessee and Mary McLane.

MR. AND MRS. B. P. MATOCHA ENTERTAIN.

Last Friday night Mr. and Mrs. Matocha gave a forty-two party in honor of Mr. Matocha's nephew, Mr. Arthur Matula of Little Rock, Ark.

It was a Hallowe'en party and the decorations were fall sun flowers.

Four tables were arranged and with Hallowe'en score cards as markers a number of interesting games were played. At the close Mr. Bill Michalka was given a box of candy for high score. Mrs. Matocha's niece, Miss Julia Hikulik, assisted her in serving a delicious hot chocolate and angel food cake. Out of town guests other than the honor guest were: Misses Heiner of LaGrange, Young of Rockdale and Matula of Temple.

HISTORY CLUB

The History club met with Mrs. S. A. Cottle last Tuesday afternoon at 3:30 o'clock. Yellow cosmos was used in decorating. There were fourteen members present with Mesdames J. L. Clinton and H. L. Niece of Houston as guests.

Mrs. C. D. Lay was leader and a splendid program was conducted as follows:

Life of David Bistham, American singer, Mrs. Tom Denson.

Advantages of disarmament, Mrs. Loyd Mitchell.

Objection to disarmament, Miss Ada Henderson.

Disarmament in general, Mrs. W. O. Triggs.

After the interesting lesson Mrs. Cottle, assisted by Mrs. J. L. Clinton served a delicious yellow and white brick cream and cake from yellow decorated plates. Next meeting will be with Mrs. Tom Denson.

SIX O'CLOCK DINNER

Last Sunday evening at six o'clock Mr. and Mrs. B. P. Matocha entertained at dinner.

The reception suite was radiant with red, pink and white roses. Nine guests were seated around the hospitable board which was laden with everything good to eat.

Miss Julia Mikulik assisted Mrs. Matocha in serving a delicious dinner consisting of fried chicken, fruit salad, marshmallow sweet potatoes, English peas, baked apples, olives, pickles, cake, ice cream and coffee. Those seated were: Father S. Spinne- weber of Cameron, Mr. and Mrs. Charles Schneider and son Charles, Jr., Mrs. Estes and son John, Miss Kennedy and Mr. Ralph Schneider, all of Austin. A delightful hour of social intercourse was enjoyed after the dinner.

PRISCILLA CLUB.

Last Thursday afternoon the Priscilla club met with Mrs. Oxsheer Smith. The home was beautifully decorated in yellow cosmos.

All but two members were present. On entering the reception suite each one registered her name on a slip of paper. These were put in a basket and one was drawn out and the lucky

name, Mrs. James Watson was presented with a basket of candy. Needle work was the diversion of the afternoon.

A business session was held and resulted in Mesdames Jim Baskin and Alex Triggs being elected to fill the vacancies made by the resignation of Mrs. Rush Thomas and Mrs. T. N. Herring moving away. Mrs. Smith invited her guests into her "Cafeteria" and they served themselves to delicious fruit salad in orange cups, sandwiches, ice tea and olives.

BIRTHDAY PARTY.

Mrs. J. D. Dobbins complimented her niece, Miss Carrie Collier on Wednesday afternoon from 5 to 6 with a birthday party. The house and dining table was decorated beautifully with pink roses and queens wreath, with the large white cake with eleven pink candles as the center piece on the table. Twenty five little girls attended and carried all sorts of lovely presents. Games were played on the lawn until time to cut the cake. Mesdames Harvey Dobbins, Simms Burns and Collier assisted Mrs. Dobbins in entertaining and serving the children. Delicious ice cream and cake was served. In cutting the cake the gold ring fell to Dorothy Lesovsky, the button to Lucile Klowansky, the dime to Beatrice Rylander. The children wished Carrie many happy returns of the day.

SYMPHONY CLUB.

The Symphony club met at the Yoe high school Wednesday afternoon. There was a good attendance. Mrs. W. A. Bonds was leader and the following program was rendered:

Piano solo, Mrs. Leo. Wilkerson. Paper--The Artists Viewpoint of the Music club, Miss Gladys Watson. Vocal solo, Mrs. Alex Triggs. Paper--Illiteracy in Music, Miss Helen Flynn.

Piano solo, Miss Lucile Dickard. Program of Grand Opera at Cotton Palace, Mrs. J. L. Clinton.

The next meeting will be with Mrs. Ed Tucker as hostess.

J. W. Daugherty of Austin, former owner of Riverside farm, here, was in town Tuesday.

Joe McLerran of Rosebud spent Sunday with friends in Cameron.

Mr. and Mrs. J. T. Farma and little Mildred spent Sunday in Temple visiting relatives.

Mrs. Francis Tuttle returned to her home last week, after a pleasant month's visit to her daughter, Mrs. Palm in Cleburne.

Mr. Arthur Matula of Little Rock Ark., returned to his home last Saturday after a visit with his uncle, Mr. B. P. Matocha.

Messrs J. B. White, W. M. Cobb, Fred Herndon and John R. Hays were in Waco during the Cotton Palace on Press day.

Church and Sunday School

BAPTIST AUXILIARY.
All the circles met in joint session at the church on Monday afternoon. There were seventeen present. Mrs. John Denson, the president, conducted the devotional.
A short business session was held after which Mrs. Wm. Henderson conducted a very interesting lesson from the W. M. U. manual.

FIRST PRESBYTERIAN CHURCH
H. R. MacFadyen, Minister.
Hours of worship: Sunday 11 a. m. and 7:30 p. m.
Bible school Sunday 9:45 a. m.
Prayer service Wednesday evening at 7:30.

METHODIST CHURCH
Rev. Ira F. Key, Pastor.
Sunday school each Sunday at 9:45.
Preaching service Sunday at 11 a. m. and 7:30 p. m.
Prayer meeting Wednesday night at 7:30.

BAPTIST CHURCH.
Sunday school 9:45 a. m. Sunday, J. C. Martin, superintendent.

Preaching services: Sunday at 11 a. m. and 7:30 p. m.
Prayer meeting at 7:30 Wednesday evenings.

PRESBYTERIAN AUXILIARY.
About twelve ladies met at the church Monday afternoon for a Bible study lesson. This was very interestingly conducted by Mrs. Mary Henderson.

METHODIST MISSIONARY
The ladies met with Mrs. McIntosh on Monday with twelve present. An interesting Bible study was led by Mrs. McIntosh, after which a delicious cake, sent to the Missionary ladies by Mrs. L. J. Hefley, and lemon ice was served.

CHRISTIAN CHURCH.
Rev. H. F. Weaver, Pastor.
Bible school at 9:45 a. m. on Sunday.
Preaching service at 11 a. m. Sunday and at 7:45 p. m.
Prayer service on Wednesday evenings at 7:45.

for the evening service was "Character Building" and was ably handled. Mr. and Mrs. Ed Fowler attended the military funeral last Sunday afternoon at Friendship, of Private Doggett who was killed in France. Mr. Doggett lived at Buckholts at the time of his enlistment and there was a large crowd from that place in attendance. The funeral was conducted by the American Legion of Temple.

FIND GAS AND OIL IN WELL ON SCHULTZ RANCH IN CONCHO

San Angelo, Texas, Oct. 25.—A flow of oil estimated at 50 barrels per day and a flow of 1,000,000 cubic feet of gas came in at the Texas Meers Oil company's Hargis well on the W. O. Schultz ranch in Concho county, according to a telephone report received here today. This production was obtained upon drilling below the 1,373 foot level into a sand. The well was shot several weeks ago.

Lieut. J. D. Baskin, commander of Cameron Post No. 9, American Legion, soldier of the world war and member of the famous 90th division, is asking every division member in Milam county to attend the reunion in San Antonio November 9, 10 and 11.

Free railroad fare will be arranged from proceeds raised from the carnival for the benefit of the veterans' trip to San Antonio.

Lieut. Baskin is asking that all 90th Division men in the county see or write him at once regarding the trip.

The Division men are going to San Antonio for their second annual reunion. This famous Division which wrote glorious history for American arms in France was trained at Camp Travis by Maj. Gen. Henry T. Allen, now commanding the troops on the Rhine.

Free barracks will be furnished the men at Camp Travis during the reunion. It will be something of a home coming for these veterans.

All 90th division men are requested to communicate with Lieut. Baskin at once.
LOST—Red Cross flag. Finder please return to Judge W. G. Gills, Cameron, Texas.

BLOOD WILL TELL

If YOUR blood tells a tale of depletion and run-down condition, MAKE it tell a tale of health and the joy of life; by the use of Dr. Thacher's Liver and Blood Syrup, which purifies and vitalizes the blood, regulates the liver, keeps the bowels open and tones up the whole system. Sold by your druggist.

Mrs. Tennie Parker, of Santee, N. C., says: "I was sick 13 years. Had numb spells, my feet and hands cold, pain in my left side; not able to do anything. I tried several doctors. One said I had heart trouble and was liable to

drop dead any time. So I quit doctors and began taking 'DR. THACHER'S LIVER AND BLOOD SYRUP.' It has cured me—I am well now and able to do all of my work. My weight is now 145 pounds."

ODDS, ENDS AND REMNANT

SALE

In going through our stock after our big Cash In and Stock Reduction Sale, we find we have hundreds and hundreds of dollars worth of good staple merchandise in broken sizes, in all kinds of goods, just a dozen of this and a few dozen of the other things Odds and Ends and Remnants that have accumulated during this busy selling season just closed, is of the choicest and best in the store. For this reason, the choicest and best are always selected first, this is why remnants to odds and ends are always the best merchandise in the house. We have gone through our stock thoroughly and plucked from it all odds and ends remnants in everything in the house and they go on sale until everything in goods of this nature has been closed out. Our object is to change our entire store in the way of re-arrangement of counters and fixtures. In order to do this we are determined to make a clean sweep of all odds and ends, remnants, etc

The public is cordially invited to come and attend this Sale
